Professional Summary

I'm a passionate and driven web developer currently pursuing my college degree, with strong hands-on experience in building modern, responsive, and aesthetic websites. I have an **advanced understanding of Python and Java**, backed by academic projects, personal learning, and practical application.

On the **frontend**, I have worked on several visually engaging websites using **HTML, CSS, JavaScript, Angular, and React**, and I'm steadily growing my skills to master full-stack development.
